

The map displays a coastal region with a complex network of waterways and land parcels. Key features include:

- Waterways:** Amsterdam-Rijnkanaal, Muiderspoorbrug, Gem. GOOISE MEREN, and various smaller canals and ditches.
- Land Parcels:** Divided into green and yellow areas, with some parcels labeled with elevation points like 'nu VP -2.15' and 'nu ZP -2.30 WP-2.35'.
- Infrastructure:** Roads, bridges, and a railway line (Muiderspoorbrug) are visible.
- Boundaries:** A dashed orange line outlines a specific area, and a dashed blue line indicates a path or boundary.
- Elevation:** Various points are marked with elevations such as -1.8, -2.15, -2.30, and -2.70.
